March Newsletter- Spring Season 2025

The Spring Season is HERE!

Our teams are ready to kick off their spring seasons and we can't wait to see them all on the field!

This season we are excited to announce our newest travel teams: our 2017 boys and girls! Make sure to stop by a game and cheer them on!

Congratulations to our Red Bulls Winter Select Players

Over the winter season, Hoboken United had players invited to the Red Bulls Metro Select Team! These players, together with players from all across the NYC metro area trained and competed in several tournaments!

We are so proud of you all!

Tryouts and Returning Player Interest Form

All current HU players need to register to indicate they want to be considered for a 2025/26 team. New players will register and select a date/time for a tryout. We expect team invitations to go out mid-May.

Referees...they're human too!

We are so lucky to have such wonderful referees officiate our games here in Hoboken and away. It's always a good reminder before a season starts to remember that referees are only human and at times while we may not agree with their decision, their decision is final.

“Everyone deserves the opportunity to experience soccer without risking his or her well-being. We must protect those in service to the game.” -US Soccer

Did you know?? If a referee is wearing a yellow arm band, it indicates that they are a minor.
