

The *Smart Comfort* is designed as a Multi-Purpose Trailer

- On-Set Covid-19 Testing
- Production Accounting
- Production Office
- UPM/Line Producer Office
- Anything a Production May Need
- 2-Person Office with a walk-through, separated by Plexiglas that allows crew members to walk in one door and exit through another, providing safety and security for the people inside

2 walk-up windows, 10' awning, 4-Season Trailer with bathroom, hot/cold water, fridge, microwave, propane generator, wall mounted 40" HD monitor, plenty of counter space for printers and supplies
