

BLeadersEdge LLC Capability Statement

WILL YOU SHIFT?

Capabilities Statement

As a leadership solutions provider, BLeadersEdge empowers organizations with easy access to online leadership training through TalentLMS and Vimeo annual subscription services. The KooLeaderZ Video Series and Incremental Shift Lifecycle with tools are readily available to download for each team member via subscription on the BLeadersEdge website. KooLeaderZ Video Series consists of 102 short leadership training topics and is complimentary to Incremental Shift as an input, available in MPEG, SCORM 1.2, and HTML5 formats if needed.

Differentiators

What separates BLeadersEdge virtual leadership training programs is KooLeaderZ Video Series combined with Incremental Shift. BLeadersEdge has:

- KooLeaderZ Video Series short leadership training for today's busy world available to upload to your cloud or LMS and currently available online with TalentLMS with a per-user annual subscription or through Vimeo with an annual subscription.
- Virtual training processes and tools for today's busy business world. Currently available online with TalentLMS and Vimeo.
- Delivers inside systemic training (rather than an annual leadership training attendance) through its leadership lifecycle and leverages your resources to build authentic leaders that align with your organization's culture, ethics, and values.

Value Proposition

BLeadersEdge provides leadership engagement through Incremental Shift and KooLeaderZ Video Series, to build stronger leaders.

Here's what we focus on:

Increased new team rapport/engagement/unity
Increased team leadership knowledge/practice/discipline
Increased team responsibility/accountability/communications

Here's how it benefits your organization:

Increased deliverable times
Decreased leadership turnover
Improved corporate culture
Increased leadership skills to improve productivity

MIKE NADEAU, President of BLeadersEdge LLC, is a long-time project manager, consultant, and leadership author. As sole employee he:

- Provided leadership for teams to deliver solutions and mentoring.
- Led global teams remotely during various engagements; and
- Completed three years as a Doctor of Management in Organizational Leadership
