

BURR CLOTH

Unstuffed
Flannel is preferred

Make template from paper pattern. Note that the paper pattern is cut on a fold. You can make yours full sized.
Trace onto the wrong side of a rectangle of fabric. With right sides together sew on the traced line.
Leave a couple inches of seaplane open on a long side to turn
Cut out approx 1/8 to 1/4 inch and clip curves as need or use pinking shears
Turn, press and topstitch being careful to close the opened seam by hand stitching or machine.
