The image shows a high-angle view of a modern building's rooftop entertainment deck. A large, rectangular swimming pool with blue water is the central feature, surrounded by a wooden deck. To the right of the pool is a lounge area with several armchairs and small tables. Further right, there is a gym area with exercise equipment. The deck is enclosed by a dark metal railing with vertical slats. The building's facade is modern, with large windows and a curved design. The scene is set during the day, with sunlight casting shadows on the deck.
