Celebrating 33rd Annual "Global Missions" Conference & Gala
Souvenir Book - Advertisement Form
Submission Deadline: February 21, 2025

Dear Friends of Missions & Faith Partners,
Together, we celebrate more than 33 years of organizational International Missions work. Please send your church, organization or personal congratulatory **ADVERTISEMENT**. Your support will provide major repairs, replace equipment and supplies; sponsor students and teachers; rebuild and reconstruct the Headquarters' School Campus Buildings, resulting from the horrific Philippines Typhoon; and educate poor and orphaned children in Liberia and Uganda. Please help feed, clothe, educate, advocate and bring healing and wholeness to the less fortunate. Thank you for your compassion for children and families in under resourced communities.
