FOOD - REFRESHMENTS - TRAINING

Have you ever wondered how your customer's countertops are made? Want to brush up on kitchen design skills and learn about new products? Make sure you don't miss out on this great opportunity!

Join us, Kraftmaid, and all of our countertop vendors for an exclusive Home Depot event at our shop! This event will feature training from both KraftMaid and McDermott, as well as a private tour of our fabrication facility.

During this event, you will also be able to get the first look at our newly remodeled showroom, which features a variety of products, new colors, sinks, and a Dekton shower!

Ensure you are signed up for this incredible event, you won't want to miss it!

If you are in need of additional training or need help with the Home Depot Portal, please contact Ken Rosinski or Morgan Hinker to set up a training session.
