Coffee, Donuts & Short-Term Volunteer Committees

Thank you to everyone who joined us for the September event--we had a great turn out!

Thanks also to everyone who signed up to volunteer for a committee. We are still in need of a few more volunteers for the update of the Architectural Control Guidelines and the EV charging research committee. If you are interested, please reach out to the board. Once additional volunteers are confirmed, the board will reach out to volunteers to begin the process.

There will be no Saturday coffee and donuts this month as we will be planning the Halloween parade--we hope to see you there!
