

IAPMO R&T OCEANA

1040 Dandenong Road, Carnegie VIC 3163 AUSTRALIA

IAPMO R&T Oceana is a product certification body which inspects and arranges for the independent laboratory testing of samples taken from the manufacturer's stock or from the market or a combination of both, to verify compliance of the requirements of applicable Standards and Specifications. This activity is coupled with periodic surveillance of the manufacturer's factory and any major subcontractor's sites as well as the assessment of the manufacturer's Quality Assurance System. This certification is subject to the conditions set forth in the characteristics below and is not to be construed as any recommendation, assurance or guarantee by IAPMO R&T Oceana of the product acceptance by Authorities Having Jurisdiction.

WATERMARK LICENCE

(Certificate of Certification No.: IAPMO-WM-022505-I01-R00)

Certified Date: 20 January 2016

Issue Date: 20 January 2016

Expiry Date: 19 January 2021

Chief Executive Officer of the IAPMO Group

This WaterMark certification is for the period indicated herein and is void after the date shown above. Any change in material, manufacturing process, marking or design without having first obtained the approval of IAPMO R&T Oceana, or any evidence of non-compliance with applicable Standards, Specifications or of inferior workmanship, may be deemed sufficient cause for revocation of this certification. Reproduction of or reference to this certificate for advertising purposes may be made only by specific written permission of IAPMO R&T Oceana. Any alteration of this certificate could be grounds for revocation of this certification.

The First WaterMark Certificate

Vacuum Toilets Australia is proud to announce that we are the first company in Australia to receive WaterMark Certification for a Vacuum Toilet System.

After being tested to the new Technical Standard, the Jets Vacuum Toilet System is ready to be installed in your next project! *Are you ready to enjoy the benefits?*

Please contact us for any building projects where our system may be of benefit to the project.
