

# A MONTH TO REDUCE

## Across

5. Cause to decay
6. Restore to a good condition
8. A substance that can be converted to another material
9. A synthetic material made from organic polymers

## Down

1. Reuse discarded items to create a product of higher quality
2. The natural world
3. Use again
4. Make smaller
7. Convert waste into reusable material
8. Say no; trash
