Well done! You are two thirds of the way through the North-Eastern Rock & Roll Endurance weekend. One more gig & you'll be in the drawing for the Grand Prize; a weeklong residency in Arkport, NY. (Runners-up: two weeks!)

Before I get on to tomorrow's festivities, a few words on bus etiquette; please don't play musical bunks if anyone is asleep. There'll be tears before it's over. And I don't mind lesbian fish but I can't take the cod roe all over my bunk.

Tomorrow:

Arrive Northampton Hilton Inn:	7.00 am.
Crew call:	9.00 am.
Doors open:	continuously.
Showtime:	12.00 n.
Our turn:	3.30 pm.
Hit the road Jacks & Jill:	5.00 pm.

You may have noticed that I didn't mention a sound-check. With three (yes, three) support acts if we tried to have a formal sound-check it would delay the show considerably. However, let me know if you want to go down early to check out your equipment.....(lead-in to silly jokes). We will check out of the hotel at 2.00 pm.
