115 Bourbon Street ★ 3359 W 115th St.

In July of 2022, Oak Lawn Police Officer Patrick O'Donnell engaged in a foot pursuit of an offender illegally armed with a loaded semi-automatic handgun. He used necessary control tactics to both apprehend the offender and recover the handgun. In February of 2023, the Cook County State's Attorney charged Patrick with aggravated battery and official misconduct. Help support one of the countless police officers who risk their lives daily to make our communities safer!
