Dear Donors:

The Burma Advocacy Group wishes to express our appreciation to you for your generous contribution to those affected by the earthquake in Burma and your patience in receiving this report. Our local partner has been occupied with ongoing efforts and now has supplied us with the following report concerning the funds we received and sent to them for relief efforts.

BAG received and sent just over \$30,000 – 100% of the funds received from our donors. In the midst of the devastation and human suffering, our local partner worked with its networks to assist 325 households in hard-to-reach communities – 100 in the Sagaing region and 225 in the Mandalay region. Eight townships received essential aid including Kyaukse, Chan Mya, Pyigy, Chan Aye Tha Zan, A Ma Ya Pu Ra, Aung Myay Tar San, Sagaing, Pyaw Bwe.

Through its wide-ranging network and its field volunteers, our partner quickly determined that the most effective assistance would be in the form of cash. Emergency funds of 360,000 MMK were distributed to each household to access needed food, safe water, hygiene, clothing, and materials for repair and rebuilding of damaged homes. Your gift was essential in helping restore these individuals and communities back to wholeness. Over 96% of the funds sent were used in direct relief. The other 4% provided small stipends to the volunteers assisting in distribution of the aid.

Thank you for joining with the suffering peoples of Burma. “Blessed are the merciful for they shall obtain mercy.” (Matt 5:7)
