Great Problem Solving

We offer comprehensive shop
renovation solutions tailored to meet
your shop's specific needs. Whether
you're looking to upgrade outdated
equipment, optimize space utilization,
or enhance safety measures, we're
here to help transform your shop

We Love Our Customers!

“PTRS has provided Bellevue School
District CTE with the highest level
of support and maintenance/repair
for classroom shops for many years.

All questions and inquiries are
consistently responded to within a
business day, sometimes within
hours. Repairs and maintenance are
dependable and professional, with
honest feedback when other
directions are needed. PTRS keeps
the district guided and within RCW
and state regulations for safety and
shop operation.”

Bellevue School District CTE
