## DANCE TEST PRICING

[www.cfscskatingclub.org](http://www.cfscskatingclub.org)

Your membership must be current to test with our Club. If you are not a Home Club member, please provide a Permission to Test letter from your Home Club. All Test Applications should be received two weeks prior to the Test Session. Applications received within two weeks may be accommodated if there is room on the session. Low level dance can usually be accommodated during any test session given enough notice. Coaches- for higher level dance, if you have several students ready to test, we can usually arrange a test session with the proper judges with enough notice.

Sign up for test sessions through **EntryEeze**. No paper applications will be processed this year. If you don't see a test session listed, you can contact the Test Chair at [cantiaguefigureskatingclub@gmail.com](mailto:cantiaguefigureskatingclub@gmail.com)

All Ice Fees are *included* in the test cost when testing on official Test Sessions and Home ice. Additional ice fees may apply when testing off Home ice. The Board reserves the right to increase the test fee paid by those skaters testing, if necessary to cover the purchase of non-club ice or to bring in Gold level judges. **If the skater scratches, the Test Chairman must be notified 48 hours prior;** otherwise all fees will be forfeited (medical emergencies with note excluded). If there is one test contingent upon another, the second test will always be placed on the wait list.
