#### WILD FLORIDA

Friday, September 5, 2025

0830 - 1530hrs

#### WILD FLORIDA - AIRBOAT TOURS & WILDLIFE PARK

A visit through the Headwaters of the Florida Everglades will be the wildest adventure you experience in Central Florida.

While we're mainly known for our Everglades airboat tours, there's so much more to experience at Wild Florida. At Wild Florida, you can also visit more than 200 native and exotic animals inside our Alligator Park, eat unique swamp delicacies served at the Chomp House Grill, and get WILD with our animals during one of our interactive animal encounters and Drive-thru Safari Park! We're just a 45-minute drive from Orlando's major theme parks and have enough adventure to share with everyone.

Explore a part of pristine marshland that hasn't changed from when early pioneers settled in the 1800s. Climb aboard a U.S. Coast Guard certified airboat and catch a glimpse of eagles, turkeys, wild boar, roseate spoonbills, alligators in Florida and other native wildlife. After your airboat tour, make sure to stroll through our Alligator Park where you can see lemurs, sloths, zebras, and other animals native to South America, Africa, and Australia.

Wild Florida is a feast for the eyes and the soul, but we haven't forgotten about your stomach. The Chomp House Grill turns out some of the best barbecue around, and our Swamp Slushy – a frozen blend of mango, orange, and passionfruit – is reason enough to visit us in the heartland of the Florida Everglades.

Early morning, afternoon, sunset, or night airboat tours give you the opportunity to experience a different side of Florida you don't often see on brochures.

#### St Augustine

Friday, September 5, 2025

0800 - 1700hrs

#### St Augustine, Florida - Florida's oldest city.

Its unique scenery and history set this city apart from any other in the country. This old town has a quaint feel, and boasts a big appeal. Visitors see why when they stroll along the brick-lined streets and delight in the city's European flavor, with centuries-old buildings, horse-drawn carriages, and hidden courtyards. Saint Augustine has plenty of history to explore — more than 450 years of it!

The Ancient City boasts attractions such as military forts, stately castles, and Gilded-Age hotels. Explore a spiraling lighthouse, scenic nature trails, and tranquil beaches. Listen to city sounds from horse hooves on brick-paved streets to the roar of cannon fire. Dive into fascinating museums, take scary ghost tours, or participate in historical reenactments. Whatever you discover, timeless stories of other eras are sure to unfold while experiencing the oldest city in the United States.

St. Augustine has always been a thriving market town. It began as a bustling port town for merchants, and today it's a shopping destination for vacationers. While the shopping options are numerous, visitors especially enjoy purchasing local art, homewares, wine, liquor, datil pepper products, pirate-themed gifts, spices, jewelry, and clothing. Some even splurge by picking up a cigar or two.

Historic St. George Street is filled with unique indoor shopping halls, Uptown is rich in homewares, and Aviles Street is home to galleries with original artwork. Head over to the beaches to find surf-inspired souvenirs and don't forget the thrift and antique stores that are packed with unique treasures. Some Victorian homes have been converted into boutiques making the shopping experience even more fun.
