

BBQ, BEER AND SPIRITS TOUR

We are offering 2 chances to experience some of the best BBQ, Beer, and spirits made right here on the Gulf Coast. Come join us either Tuesday or Wednesday as we depart from the hotel to visit 2 local establishments, Nueces Brewing and BBQ along with Aerodrome Distillery. On Tuesday we will start with lunch at Nueces and end at the distillery and flip things around on Wednesday where we will start at the distillery and end for an early dinner at Nueces and have you back at the Omni in time to clean up for the Halfway Night Party. The tours will include your food and 4-3 oz. tastings of beer at Nueces and 2 tastings at Aerodrome.

Nueces Brewing Company was founded on the idea that being outside is better. Hanging with friends and family on the water, at the ranch, or simply in the backyard. It's the South Texas way, and nothing is more South Texas, than Great Beer, and Great Barbeque.

Our beers and smoked meats are crafted on-site in beautiful Downtown Corpus Christi. Enjoy the fruits of our labor in the air-conditioned taproom or on the outdoor deck amid lively music and a family / dog friendly atmosphere.

The taproom has 11 taps showcasing a mix of flagship and rotating specialty beers. Take a flavor tour and then upon request, a tour of our brewery. For more about Nueces: nuecesbrewing.com

Come meet Nathan Bitz a retired Naval Aviator who opened his distillery right here in Corpus

Christi and try some of his special recipes and ask questions as you tour his distillery. Maybe try one of his mixed drinks or bring a bottle home? For more on Nathan and Aerodrome visit: aerodistilling.com where these pictures were taken from.
