

BREW TOUR

Depart from your hotel aboard a luxury Corporate Coach provided by A-1 Mr. Limo to enjoy the best Cleveland Brews and their stories!

www.greatlakesbrewing.com

Go behind the scenes of **The Great Lakes Brewery** - Ohio's original craft brewery. You will grab your first taste of their award-winning beer in the Beer Symposium before venturing into the production facility for an up close and personal look at how that wonderful liquid is brewed, cellared, and packaged! The tour includes four 5 oz. beer samples and a souvenir pint glass to take home. The bar is the oldest working one in the city. There's also a story behind the bullet holes in the walls. The holes are attributed to none other than Eliot Ness, the

With expansive views, a massive patio and multiple private event spaces, **Collision Bend Brewing** is the preeminent destination for artisan beer in Cleveland.

Situated overlooking the Cuyahoga, Collision Bend was named after one of the treacherous U-shaped turns in the river where commercial ships got into many accidents from unforeseen incoming ships. Talk about a blind spot!

The epitome of industrial modern, their building originally served as a Chandlery where civil war era merchant ships stockpiled before sailing onto the Great Lakes. Nowadays, it's a better place to
