## True-Life Submarine Books Tell It the Way It Really Happened

“Tell us a sea story.” Modern submariners field this query all the time. And the Hood brothers—one a submariner himself—have been collecting the best of these tales into popular books for years. Their latest, *Sub Tales 4*, brings additional flavor and insight to more true undersea yarns—detail, often previously unknown, which in many cases could have come only from the men who lived it.
