

Corpus Christi Hooks Baseball at Whataburger Field

Join us Sunday evening in the Line Drive Loft at the iconic Whataburger Field. We will pick you up at the Omni on our buses and take you to the field for an enjoyable evening of baseball, food, and fun! This Line Drive Loft is an open-air, exclusive hospitality area and includes the Home Run Package (hot dog, hamburger, chips, soda, water, and cookie per person) with two (2) 12 oz beers per adult. Ice cream bars may be substituted for beer. Cushioned seats, flat-screen televisions, shade from the overhang, and a hospitality staffer make this area prime for business or social outings. It is situated on the 3rd level overlooking the 1st base line.

Corpus Christi's Whataburger Field, completed in 2005 at a cost of \$25 million, is home to the Hooks, Double-A Texas League affiliate of the Houston Astros. Owned and operated by the Astros, the Hooks focus on exemplary customer service in a family-friendly environment.

The ballpark occupies land once dominated by cotton warehouses at the Port of Corpus Christi. Its architectural attributes, from mammoth wood beams to corrugated siding, pay tribute to the site's heritage. The videoboard in left-center field is framed by antique cotton presses, one which dates to the 1920s. During games, fans can watch large oceangoing vessels and their tugboat escorts navigate the port's ship channel. Ships clear the new iconic Harbor Bridge (2025), a magnificent span for Highway 181, before churning out to the Gulf of Mexico through Corpus Christi Bay.
