

BUILDING AN ELITE LEGACY

Your support can be the wave that propels Raleigh's competitive swimming scene forward. By donating to the Lake Johnson Project, you're not just contributing to a pool, you're investing in the future of elite athletes and the vibrant aquatic community. Every dollar brings us closer to building a first-of-its-kind facility that will benefit swimmers of all ages and abilities.

Build an ELITE Legacy: **Naming Opportunities Available**

Become a champion for the aquatic future of Wolfpack Elite and Raleigh! Participate in the Lake Johnson Project's exclusive naming opportunities. Your contribution will be immortalized, leaving a lasting legacy that inspires generations of swimmers to come!
