

# 1. The Beginning

Have you ever wondered how the world started? How did the sun get in the sky? Where did the animals come from? The Bible tells you. It is called God's Word.

God has always lived. He created the heavens and Earth. God is most powerful of all! He made the heavens and the Earth from nothing! God made light so it would not always be dark. He made the sky.

**God's Word Says:**  
"In the beginning God created the heavens and the earth."  
Genesis 1:1

God moved the water around and made dry land. He made all kinds of plants and trees on the land. They had seeds so more plants could grow. God made the sun, moon and stars. They give the Earth light.

Next God made all the fish and animals that live in water. He made birds to fly over the Earth. Then God made the animals that live on land. God blessed the things He made so more birds and animals could be born. God saw that everything He had made was good!

God is amazing! He is greater than all His creation. Praise God for His greatness. Thank Him for all He has made!

## You Can Pray:

Dear God, You are wonderful! Thank You for the beautiful world You have made! (Tell God about the things He has made that you like best.) In Jesus' name. Amen.

This Bible story can be found in Genesis 1:1-25.

Kylie Kadey, Age 7, Washington

### Let's Talk:

1. Who has made the world and everything in it?
2. What is your favorite thing that God has made?
3. Why do you think you should thank God for the world He has made?
