## Our Company's Passion

To provide high-quality, eco-friendly strategic and entrepreneurship growth driven consultations that help create business growth pathways and diverse wealth-building outcomes for entrepreneurs.

### Our Leadership, Driven by Entrepreneurial Thought!

Owner Frank Lopez has an extensive range of accomplished executive experiences with small businesses, and with Corporate Diversity & Inclusion and the creation of value-add Strategic Partnerships and Small Businesses. Committed as a small business owner to provide you with innovative products and trendsetting business strategies.

### Differentiators, Ingenuity and Social Impact Perspective!

A small business committed to creating economic advancement trajectories, with quantifiable measures of success, across diverse segments of business and industry, and entrepreneurial communities; and contributing to a healthy ecosystem, social and economic equality, thriving habitats and a better quality of life for all.

### Principal Lines of Business

Key line of business includes procurement and supplier diversity:

- Diversity & Inclusion consulting services;
- Assessing core vendor capability and alignment with measurable procurement outcome metrics;
- Helping and facilitating alignment and application to achieve relevant diversity and inclusion program certifications;
  - Qualified access to corporate procurement opportunities;
  - Qualifying process for higher win-ratio on business opportunities;
  - Strategic planning to create road-map to matchmaking and Mentor-Protégé options; and,
  - Targeted marketing and participation in validated networking opportunities.

### Certifications & NAICS Codes

- Greater Orlando Aviation Authority (GOAA) ACDBE Certified, and;
  - Disadvantaged Business Enterprise (DBE) Certified;
  - Small Business Enterprise (SBE) Certified
