## **Open Discussion From Neighbors:**

A neighbor brought up concerns about there not being enough One Way signs in the neighborhood. There have be a number of automobiles going the wrong way on Village Blvd. We all thought that it would be a good idea to call and report these incidences to the city.

Christ Finley brought up that it would be a good idea to see if we can get a stop sign added where Village Blvd meets Waterside Dr at the corner nearest the back side of the 3<sup>rd</sup> island.

A neighbor mentioned that they would like to see a neighborhood yard sale organized sometime next year.

**Election:** Molly Marsh made a motion that we not take votes seeing how everyone that was running for the board were running uncontested. Matthew Frazier 2<sup>nd</sup> this motion. The I's carried.

**Adjourned:** Jason motioned to adjourn at 6:36pm, Matthew 2<sup>nd</sup> this motioned. The I's carried.
