

Marblehead Marine Construction is seeking a hard-working and reliable construction worker to join our team. You will participate in a variety of construction projects and follow construction plans and instructions from the site supervisor. Although experience isn't essential, you will have to be physically fit and a fast learner.

To be successful in this position, you will work well as part of a team, enjoy working outdoors, and be able to perform strenuous physical tasks.

Skilled Laborer Responsibilities Include:

- Preparing construction sites, materials, and tools.
- Loading and unloading of materials, tools, and equipment.
- Removing debris, garbage, and dangerous materials from sites.
- Assembling and breaking down barricades, temporary structures, and scaffolding.
- Assisting contractors, e.g. electricians and painters, as required.
- Assisting with transport and operation of heavy machinery and equipment.
- Regulating traffic and erecting traffic signs.
- Following all health and safety regulations.
- Digging holes, tunnels, and shafts.
- Mixing, pouring, and leveling concrete.
- Willingness to undertake training if necessary.
- Be healthy, strong, and fit.
- Must be able to pass a pre-employment Drug Screen

Requirements:

- Must wear required personal protective equipment, abide by all of the company's field safety rules, and work with supervisors on performing all tasks in the safest manner.
- Ability to do physical labor and other strenuous physical tasks.
- Ability to work in all weather.
- Workers must be punctual and reliable.
- Must have experience as a general laborer in the construction industry.
- Must have access to reliable transportation & valid driver's license.
- Must be able to climb and work at excessive heights.
- May require lifting up to 70 to 100 lbs.
- Self-starting, organized, self-motivated, good communication skills, outgoing personality, and people friendly.
- Sales: 5 years (Preferred)
- Construction: 5 years (Preferred)
