CFT welcomes North Texas volunteers to #DoTheGood April is National Volunteer Month

[Communities Foundations of Texas](#) is hosting its first annual [#DoTheGood](#) National Volunteer Month campaign this April with four volunteer pop-up events all around North Texas each Saturday from 9 a.m. to 5 p.m. This campaign will allow volunteers the opportunity to serve with 100 different nonprofit organizations.

We are looking for volunteers interested in working the events and donating supplies at each Saturday pop-up event. Each event will have free food, music and free prizes. Share this with your friends and family!

Follow us on [Facebook](#) or [Instagram](#) for more updates about #DoTheGood or visit www.CFTVolunteerMonth.com to register online and donate.
