“

The experience we had with The Liebelt Farm was amazing, from communication to presentation and just making us feel like we were their no.1 priority from start to finish really put my mind at ease. Organising a wedding can be a stressful time, but Amanda, Rebekah and Jonathan were so helpful from being there on the day with initial set-up, there for support and advice on a few things that I hadn't given any thought to. The Farm has such a beautiful rustic feel and has a lovely charm about it. Thank you again to Amanda, Rebekah and Jonathan. ❤️

Food & Drinks:

We are a dry-hire venue, allowing you the flexibility to choose your own caterers and create a culinary experience that suits your taste and budget.

Alcohol – We are a BYO venue (strictly limited to beer, wine, and cider only). Selling alcohol or serving spirits/mixers requires a licensed third party.

Cooking Facilities – There are no kitchen, cooking, fridge/freezer or washing facilities at the venue.

Water – No onsite water access; caterers/hirers must bring their own.

Vendor Recommendations – Choose any suppliers you like! But if you are stuck for ideas, check our suppliers list [here](#).

Power – 10amp power is available throughout the venue, inside and out. Suppliers must provide test-tagged extension cords.

Accessibility:

Accessibility – Accessible for walkers/wheelchairs, with an onsite accessible toilet and ramp access. However, please note, the farmyard is grassed, and some indoor areas are uneven due to the historic nature of the buildings.

Venue Logistics:

Curfew – We require music to be turned down (e.g. can only be heard inside the Chaff House) at 11:30pm, and everyone must be off-site by midnight to comply with our council regulations.

Set Up & Pack Up Times – Times are arranged between the hirer and The Liebelt Farm. Suppliers can only access the venue during these designated times.

Smoking – Strictly prohibited indoors and outdoors, including toilets. A designated smoking area is in the carpark.

Location – [156 Junction Road, Littlehampton](#). Off-street parking available, and Uber/taxis service the area.

Accommodation – Just 10 minutes from Hahndorf and Mount Barker, both offering plenty of accommodation options.

Wet Weather: As Hills locals, we know the value of a good Plan B! The Chaff House is fully enclosed with A/C for comfort in any weather, while the Acorn Tree offers a naturally cooler spot on hot days. Since the Chaff House is the only undercover area, we welcome marquees and provide a spacious, flat grassed area for your setup.
