LITTLEHAMPTON, SA

# Information for Suppliers at the Farm...

**We are excited to welcome you to the Farm!**

To ensure everything runs smoothly, we've put together some helpful information below. Please take a moment to review the details, and feel free to reach out if you have any questions.

## **Venue Access Times:**

Times are arranged between the hirer and The Liebelt Farm.

Suppliers can only access the venue during these designated times.

Due to council regulations, all guests and suppliers must be offsite by midnight.

## **Catering:**

**There is no kitchen, washing facilities or fridges, and no access to water for cooking, cleaning or drinking.** Caterers must bring their own supplies if required.

## **Power:**

**10amp power** is available throughout the venue, inside and out. Suppliers must provide their own test-tagged extension cords, and depending on placement, we recommend approx. 50 metres of cable to ensure you can reach the power outlets.

## **Marquees:**

Some underground powerlines exist, but we'll assist with placement. Marquees can be secured with weights or pegs, though pegs may be difficult in compacted areas.

## **Storage:**

There is not onsite storage outside of hire times.

# Questions?

**Feel free to reach out with any questions!**

The best way to contact us is via email at [events@liebeltfarm.com.au](mailto:events@liebeltfarm.com.au) For assistance during events, please call 0414 353 815, but please note this number is only monitored during event times.

*The Liebelt Farm is located at  
156 Junction Road, Littlehampton SA 5250*
