Notes:

- You are welcome to pick and choose what to use for your event; you can use it all, or use none of it, it is completely up to you!
- All equipment is mobile and can be used either inside or outside.
- About 4-6 weeks before your wedding, we will ask you to select what equipment you would like to use. This means, for example, we can have your ceremony items (arbor, signing table, seats) already positioned where you are holding your ceremony, and have the chairs and tables set up in the Chaff House how you want them. Trust us, by telling us this information, it will save you a lot of time on Set Up Day!

See the next page for examples of these items and how they're usually set up.
