

Guest Information...

Sharing key venue information with your guests ahead of time can make a big difference in how smoothly your day runs. From parking details to what shoes are best suited for the setting, a little heads-up can help your guests feel more relaxed and prepared—so everyone can focus on celebrating!

Below are some helpful details you might like to pass on to them before the big day.

Provide Before the Day:

- **Parking** – Free off-street parking is available at the venue, including spaces reserved for guests with disabilities.
- **Leaving Vehicles Overnight** – Guests are welcome to leave their cars overnight in the carpark. Vehicles must be dropped off during your set-up time or on the wedding day, and collected the following day during the pack-up window.
- **Footwear** – As we're on a working farm, surfaces vary between paved, gravel, dirt, and grass. Please choose your shoes accordingly.
- **Weather** – The Adelaide Hills can cool down quickly at night, even after a warm day. We recommend guests bring a jacket just in case.
- **Location** – The venue is located at 156 Junction Road, Littlehampton—roughly 20 minutes from the bottom of the South Eastern Freeway.
- **Phone Signal** – While you may feel wonderfully tucked away, rest assured that all major mobile carriers have good coverage at the Farm.
- **Accommodation & Transport** – Just 10 minutes away, Hahndorf offers a wide range of accommodation options, from luxury stays to budget-friendly caravan parks. The Farm is also accessible via Uber and taxi services.
- **Accessibility** – The Farm is walker and wheelchair accessible, with a designated accessible toilet and ramp access. Please note that the farmyard is grassed, and some indoor floors are uneven due to the property's historic character.

Provide On the Day:

- **Smoking** - Strictly prohibited indoors and outdoors, including toilets. A designated smoking area is located in the carpark. Please dispose of your cigarette butts thoughtfully.
- **Curfew** – Everyone must be off-site by midnight to comply with our council regulations.
- **Emergency Assembly Point** – In the unlikely event of an emergency, please gather in the Carpark and follow direction from venue staff.
