Family Prayer Written by Judy Bone

Family celebrates when a couple gets married. Family rejoices when a baby is born. Family gathers at the hospital when someone is sick. Family grieves together when God calls someone home. We love each other not only for what we do, but for who we are. We are descendants of Jesus Christ. Dear God, help each family member to show kindness, to know humility, to learn patience and to show love. May your love and grace be upon our family. May your spirit always dwell upon us. May the love that binds us only go stronger as we fulfill the destiny you have planned for us. May we always be reminded to stand together as FAMILY. Amen.
