

Welcome to The Brewery House

Here at The Brewery House, we are enthusiastic about bringing you a delightful dining experience right here in Harrington.

We believe in tasty food, great drinks, good company, and creating a memorable atmosphere for all our guests.

Our Head Chef Dan have carefully crafted this menu, drawing inspiration from classic British dishes and global flavours, to offer you a range of dishes that are both familiar and exciting.

We pride ourselves on using fresh, locally sourced ingredients wherever possible, supporting our community, and ensuring the highest quality in every bite. And when it comes to our chips, you can rest assured they are made from potatoes grown right here in the local area and are double cooked for that irresistible golden finish.

Whether you are joining us for a quick bite, a leisurely meal with loved ones, or a special celebration, we aim to make your visit hugely enjoyable.

We hope you love what we are serving up!

The Team at The Brewery House – Harrington.
