

What matters most to you?

Saving time, simplicity, being healthy, creativity, or saving money?

healthy

Home-cooked food is healthier, tastier, and gives you peace of mind knowing what goes into your family's meals.

reliably easy

Simple, quick, and full of flavor! Access over 80,000 guided cooking recipes to cook like a pro.

saves time

Let the Thermomix® handle chopping, mixing, auto-cooking, and even pre-cleaning. Its multi-layer cooking gets your entire meal done in half the time!

creative & saves money

Enjoy the freedom to create meals just the way your family likes them while saving on dining out.

Integrated Award-winning Cookidoo® Recipe Platform

Limitless inspiration for a lifetime of delicious meals!

Explore over 80,000 guided cooking recipes in 20+ languages with Thermomix®. Plan meals and create shopping lists effortlessly.

The Thermomix®'s Guided Cooking function makes cooking effortless. Select a recipe on your TM6 or Cookidoo® app, and it sets the time and temperature for each step. Just add ingredients and press "Next."

With Cookidoo®, you can craft and cook your own recipes using the Created Recipes tool. The 2022 addition of Scaled Recipes lets you adjust recipes to your liking. Cookidoo® makes cooking easy, tailored to you.

20+ functions and counting!
