## COMMODORE'S COLUMN

April, 2024

Hello Membership,

I would like to welcome you to Spring at the Club. Our Winters here in Florida are not difficult to tolerate but Spring always brings new beginnings and growth.

April will continue to bring several more activities to the Club. Our calendar and our email blasts are something that you will want to monitor closely as things are growing there as well. It is encouraging to see the participation of our members returning to the Club.

We have had an interesting past 6 weeks since the Special Membership meeting in February. We are continuing, to focus on our redevelop and growth.

We need to re-establish our full Slate of Officers and Committees and provide 1 additional member to the Board Of Directors.

Vice Commodore

Rear Commodore

Fleet Captain

Treasurer

Secretary

The Club has standing committees, and they are:

Grounds and Marina

Bylaws

Fleet Activities

Membership/Marketing

Finance and Budget

Entertainment

Endowment Committee

If you are interested in serving as one of our Flag Officers or as the additional member of the Board of Directors, or to serve on a Committee please, contact me directly at [commodore@charlotteharboryc.com](mailto:commodore@charlotteharboryc.com). All emails will be held in confidence.

If you missed the Easter Buffet, you missed a very wonderful event. The Easter Bunny was there, and it was great to see some of the kids around and the food and presentation was fabulous.

We have just completed our annual 2.4mR CanAm Regatta series. CHYC has hosted them since 2010. We started with 8 boats that year and this year we had 22 boats, which has been the largest fleet. The Fleet is very excited to know we will host them again in 2025. I would like to thank our volunteers, both member and non-members, as well as our amazing staff that helped support such an event on an extremely high level of professionalism. This regatta series continues to be a favorite among the 2.4 sailors and bring international recognition to SWFL and to our Club. It may help that the US Class Association President and Vice President are CHYC members. Thank you, John and Tony.

There will be a Town Hall Membership meeting on April 29th at 6:00 PM.

We will be discussing and providing updates on all Club business.

Once we get our Flag Officers and Committees re-established, we look forward to bring back some of our favorite and long standing events like our Sundowner's ceremony, Fleet (Deck) parties, cruises, Friday night cannon and other events. Stay tuned – more information will be forthcoming soon.

In closing I would like to welcome Dennis and Vicki Gardner to our membership.

See you at the Club,

Martin Holland

## *from the General Manager*

Dear Esteemed Members,

I would like to express my gratitude to all the members and staff for their trust and confidence in me as your General Manager.

First, I am excited to announce that we will soon begin work on the marina. Additionally, we are progressing well on finishing the Commodores Lounge for membership to enjoy. We expect this to be completed in about a month and will announce the day it is open soon.

In addition to these physical improvements, I am thrilled to share some exciting news regarding the enhancements to your club experience, from the smallest to the largest of details. Your feedback has been instrumental in shaping these changes. I am confident that they will elevate your time spent at Charlotte Harbor Yacht Club and will exceed your expectations.

We have listened to your requests for longer operating hours and have extended our hours for your enjoyment. Whether you prefer an early morning sail, a midday luncheon, or an evening gathering with friends, CHYC will be open to welcome you.

I'm thrilled to witness the remarkable surge in attendance for our Tuesday, Wednesday, and Thursday Pub Nites, in addition to Friday Fine Dining and Sunday Brunches. Our culinary team has been working hard to enhance your dining experience. We have introduced a more comprehensive selection and variety of liquors, including top-shelf bourbons and wines. Moreover, our talented Chef Renzo and his team have curated an improved menu that features a mix of classic favorites and exciting new dishes.

We have significantly improved the quality and freshness of the ingredients used in our kitchen. Our latest dish, Corvina Sea Bass, Cobia, and Tripletail, was caught locally. Providing new specials and an improved meat selection... all have been a significant hit. It's immensely gratifying to see our efforts to elevate your dining experience resonate so strongly with the membership and prospective members. The growing numbers reflect the quality of our culinary offerings and the sense of community and connection fostered within CHYC. From a friendly smile followed by a hello as you walk into the club. To our staff, ensuring that your experience here is top-notch. We will continue to exceed your expectations and create memorable moments for you, and this upward trend will persist.

Now recognizing that our dedicated staff plays a crucial role in delivering exceptional service to our members, we are committed to fostering a happier and stress-free work environment for our team. By investing in training, support, and communication channels, we aim to create a positive workplace culture that translates into even better experiences for you, our valued members.

As we embark on this journey of revitalization and improvement, I invite you to share your feedback and suggestions with me. Your input is invaluable as we strive to make the Charlotte Harbor Yacht Club the premier destination for leisure, dining, and camaraderie for you, your families, and prospective members.

Thank you for your continued support, and I look forward to welcoming you to the club soon.

Respectfully,

Debbie DiLaura

# 2024 2.4mR CanAm Series Wrap up

## US National Championship

Apr 4, 2024

By John Seepe(2.4mR US Class President & CHYC Member)

Every winter for the last ten years, 2.4-meter sailboat fleets from both Canada and the United States gather for the CanAm Regatta Series. This year's series saw the greatest numbers on record for our annual event, with 24 boats sailing in the regattas out of CHYC (Charlotte Harbor Yacht Club) in Port Charlotte Florida. 9 Canadian boats and 15 American boats competed in what turned out to be the best weather in memory.

The Series comprised of 5 regattas and there were no days which failed to have wind. Most race days saw higher winds and warm temperatures so racing conditions were enjoyed by all on the Peace River. One day the racing was suspended after only one race due to heavy conditions.

The race committee laid out great courses and managed the adjustments efficiently, making the sailing very fair and enjoyable. Last year the club docks were heavily damaged due to a hurricane so all the boats put in each day and rigged on the one floating dock available. With all the sailors and volunteers working together this went smoothly and maybe even better than when we had more dockage.

## 2024 2.4mR CanAm Series Wrap up

The days when winds were up and “spicy” saw the normal breakdowns and thorough inspection of rigs weeded out troubles before they became big ones. One race day with high winds had more rivet issues than the fleet can remember ever experiencing in the past. The majority of the rivet failures were boom vang failures.

The fleet was tight with all the races being 4 legged windward-leeward races. Many of the races saw multiple boats finishing in mass, overlapped and fighting for every last inch. Many were close between the first boat and last boat to finish as the fleet got better over time.

The fun on the water was complemented by the activities off the water having fun and conversations or helping each other upgrade or repair boats. One moment had Olympians meeting each other for the first time, Ulli Libor from Germany (1968 & 1972) met Allan Leibel from Canada (1972 & 1976) along with Dee Smith from USA (2016) chatting and sharing memories.

The results of the CanAm Series for 2024 ended with a tie between 3<sup>rd</sup> and 4<sup>th</sup> place. Tony Pocklington (US Vice President & CHYC Member) took home 4<sup>th</sup> place losing out 3<sup>rd</sup> place to Jeff Linton from Davis Island Yacht Club (World Champion in Lightning Class). Second place was won by Allan Leibel (member of Canadian Olympic Committee) with 1<sup>st</sup> Place being earned by fellow Canadian Bruce Millar (Director and Technical Committee member for the 2.4mR International Class).

With all the competition and excitement everyone is looking forward to next year's CanAm Series between such skilled sailors on the warm and spicy waters of South-west Florida, which should be bigger and better than this year's record event.
