COMMODORE'S COLUMN

Hello Members,

August brings our Club into its Summer Shut Down. I can't wait until your return on the 10th for you to see all the improvements and the new menus.

I would like to say Thank You to all the members that were able to provide the resources in labor and or financial help during the shutdown. We will continue to make additional improvements along the way.

I understand I am sounding like a broken record about COVID-19 but now we have the Delta variant. The intensive care wards are filling up again. We will continue to be as safe as possible. If you have been fully vaccinated, we are NOT requiring you to wear a mask or keep 6 feet of separation. If you or your guest has not been fully vaccinated, please wear your masks and maintain 6 feet of separation. Most of our staff members have been vaccinated and will no longer be wearing their masks. The staff members that haven't will continue to wear their mask.

The Florida Commodore's Association (FCA) General Meeting and dinner was wonderful. FCA members from all over Florida enjoyed our Club and continue to tell us how much they enjoy coming to CHYC. We are hosting the Florida Council of Yacht Clubs (FCYC) the weekend of September 11, 2021. This will be the 20-year anniversary of 9/11. It will be an honor for us to host. Here is the website link for the FCYC. <https://floridacouncilofyachtclubs.com>. The program and dinner menu will be distributed mid-month. Both of these meeting and dinners are open to our membership, but we do need for you to make your reservations.

We will also be posting any new information on our Club's Boating Tab on our website for the FCYC meeting and dinner information.

Over the past few months, we have continued to listen. We started opening the Club on Saturdays for our deck parties and now the club Wheel room (Bar) will start opening up each week on Tuesday & Thursday from 3:00 pm to 7:00 pm starting August 12th with bar service and snacks. Be sure to invite your friends along and show them your beautiful Club. We know you want to just drop in but making a reservation would be appreciated. As always, check your Depth Sounder Calendar, Facebook and look out for the for What's Happening emails.

I would like to say hello and welcome all of our new members who joined us in July: Thomas Fitzgerald, Steve Lahr, Philip Voyer, Mike Hinze, and Curtis Wezeman.

Be sure to check out the new member pictures and list each month.

We are growing and we can attribute that to you. As a member you are our best marketing tool. Please introduce yourself to our new members and help them feel welcome. All new members have a gold star on their name tag. We look forward to seeing you around the Club. If you see a Blue Flag with a Gold Eagle on a table this identifies a potential member. Please, take a moment to visit with the potential new member to help educate them on all the benefits of being a member of our Club.

Remember, you as a member, are the best marketing we could ever have. I have said it before many times, it takes a Village. Please remember, we need volunteers and member participation to make our Club successful.

Keep a watchful eye on the Depth Sounder, Facebook and our website for new event flyers and more information. As a reminder, we are open for dinner on Ship's Wheel Wednesdays. We are using our Friday Pub Nites as an Open House. Bring your friends and show them what an amazing Club we have.

See you at the Club,

A handwritten signature in blue ink that reads "Martin Holland".

Martin Holland

Commodore

HOUSE & RULES

Greetings from your Vice Commodore, the Comment Cards for July seem to indicate that the membership is generally satisfied that the Facility, Food and Service are meeting their expectations. The data from all cards is organized in an Excel file used by Vicki during staff performance evaluations. Member's suggestions for improvement are discussed with our staff members responsible for providing your "Club Experience." Vicki and our staff are working hard to make CHYC a very special place for you.

CHYS hosted the Florida Commodores Association (FCA) event on July 16th and 17th. The Commodores in attendance were extremely complimentary about our Club. The Filet and Lobster dinner Saturday evening was fabulous. This event is being followed up with the Florida Council of Yacht Clubs meeting on the weekend of September 11th. Please come to the for dinner and the Sundowner Ceremony that weekend.

The Florida Council of Yacht Clubs (FCYC) is comprised of thirty-six 501(c)(7) yacht and sailing clubs throughout Florida, located from the Panhandle to the Florida Keys. This organization is dedicated to encouraging the sport of yachting and general club activities while promoting beneficial legislation and safety afloat. The major benefit of CHYC's membership in FCYC is that our Club's Full Members are provided one-night complimentary dockage (you are charged for electricity) several times each year. You have access to the host Club's facilities. Your Host Club "Dining Experience" bill is sent to CHYC for payment. CHYC pays the host club, then bills you for your stay at the member club. If you have the time, are a Full CHYC Member and have access to a "proper yacht" (sail or power boat capable of living aboard), you could cruise Florida for several months without paying for dockage (you will have to pay your pass-through meal and electricity bill to CHYC).

Please consider making reservations for dinner (and the Sundowner Ceremony) with our FCYC guests the weekend of September 11th. This will be a memorable event.

Our staff and volunteers are sprucing up the Club as I am writing this report. The color scheme (Blue Trim & Ivory Walls) in the main entry/hallway and Ballroom is the same as the back hallway (the hall from the Wheel Room to the Kitchen). Electrical work in the Wheel Room, Dining Room and Entry Hall is being completed. Any donation you can make to support this member effort will be greatly appreciated.

The Club Office will reopen August 9th. The Isles Yacht Club will shortly have their "shut down" and invasion of CHYC for a Friday Pub Night. Watch for that announcement and plan to attend.

Roger Strube, MD

Vice Commodore

The Flamingos 2021
Florida Weekly's Best Awards
Recognizes:

Charlotte Harbor
Yacht Club (CHYC)

FLORIDA WEEKLY
IN THE KNOW. IN THE NOW.

GROUNDS & MARINA

The Brazilian pepper bushes by the tennis courts have been trimmed. The outside contractor did a great job. Many thanks to Paul Kidd and the Harbormasters for their assistance for the financing. Also thanks to Tony Pocklington his this contribution.

Our new part time dockmasters have been a great help working on the landscaping. This is especially rewarding as many of our members are not as able to assist as in the years past.

As shut down approaches, I will be working with Joe and Vicki to determine the priority of projects.

Hank Killion
Rear Commodore

FLEET ACTIVITIES

Greetings Mariners!

I hope you are enjoying your summer and getting out on the water wherever that may be. At the time of this writing many of us have been at the club painting, doing repair work, and cleaning. When you return to the club, you should notice a difference in the entry hallway, the dance floor area and the Ship's Wheel.

We will resume our sailing/deck parties twice a month. Please consider joining us for those.

Our annual Christmas Cruise is tentatively slated for December 7,8 and 9 at South Seas Resort. I know that's kind of a long way off, but this particular venue requires lots of advance planning. Be looking for more information on that and other fall cruises.

Happy Boating!
Ralph DeCesare,
Fleet Captain

HARBORMASTERS

As President of the Harbormasters, I want to give all male members of our CHYC an invitation to join and be active in the Harbormasters group of our club and also an opportunity to join the ROMEOS, a special part of the Harbormasters, which has a Club luncheon get together at 11:00 AM every Tuesday, to joke and discuss any topic that enters the group's fancy (trying to be apolitical as appropriate).

During the year, we have fundraisers (eg; BBQ) to raise funds for projects on our outside grounds and Marina. There is a long history since 1975 about how the Harbormasters started and our evolution. These are some of the activities we do throughout the year:

- Engage speakers and programs, with luncheons, at the club, with topics on salient issues of the day, inviting ALL club members who only pay for their lunch.
- We take one day road trips (from our parking lot) to visit interesting local places, Animal/horticulture sanctuaries, industry and local government sites and other local Yacht Clubs. We have lunch on the road and get back to town later in the day.

So the Harbormasters and it's ROMEOS (Really Old Men Eating Out) at weekly Tuesday Luncheons are good ways to meet other male members and have a lot of fun!

We look forward in another article to describe how and why the Harbormasters came into being.

Paul Kidd
Harbormasters President

CLUB MANAGER

Our Shut Down Club facelift for August is underway!

With the carpets getting refreshed, floors waxed and fresh paint to name a few projects, you will be pleasantly surprised when you return.

I would like to thank all the volunteers and staff that made this happen.

I would also like to thank the members who couldn't be here to help but made donations to the cause. Thank you all from the bottom of our hearts.

I am happy to announce that we have welcomed 4 new members in July to the club!

We will be spotlighting our new members in our Depth Sounder and for future ones as well. It has been an old tradition that has unfortunately gotten away from us. If you have not sent in your picture for us to include in the New Member spotlight please send it to teaweid@yahoo.com.

We are looking forward to seeing our year round members in the club this summer and getting involved in all club activities. If there is an event you would like to see at the club, please contact me! We can make it happen!

In September, we will be hosting the Florida Council of Yacht Clubs (FCYC) general meeting. All are invited to attend. Information will be emailed.

Please check out the August calendar, flyers and Facebook for all events!

*Fridays this summer will be "Open House" for all Prospective members to come in and experience what our wonderful club has to offer. Our goal, with your help is to reach 300 members by next season.

Thanks to all for supporting the Club and introducing friends and neighbors. Let's keep the momentum going! As a reminder to all members, you are the Ambassadors of your club, so please invite your close friends, neighbors and family to the club to possibly join our wonderful family!

With the increased number of members and staff having received a vaccine, our continued social distancing, and the level of cleanliness that we demonstrate, our members have felt very safe at the Club. We will continue to provide a safe environment for all members and staff.

My goal this year is to make the most memorable experiences for our members.

That said, I would ask all our members to please take a moment to fill out a comment card. There is nothing better than hearing from a member how wonderful the food, staff, or event was, but also hearing what we can do to make their experience better.

Victoria Tannuzzi,

Club Manager

HARBOR LITES

Tuesday, August 10, 2021 CHYC will reopen with a fresh, new coat of paint plus many other changes have been made. We had a great bunch of “busy bees” (females, males; older members; as well as new members) working diligently around the Club to rejuvenate the inside and outside of “our home”. With new lighting, outstanding photographs throughout the club and other improvements, we hope this beautification will enhance the club and attract new members, as we move into the future.

CHYC will be having an Open House every Friday night for the summer months; so feel free to share our Club with your family, friends and neighbors. Socializing in the Ship’s Wheel on Friday night is a great way to start the weekend. The Ship’s Wheel has a brand new coat of paint and it looks fabulous!

If you are a new member and are receiving the Depth Sounder for the first time, Harbor Lites ladies hold their meetings on the first Tuesday of the month. The doors open at 9:30 AM for coffee and muffins; the meeting begins at 10:30 AM. We hold a short business meeting then our 2nd Vice President presents a monthly program for our members followed by a wonderful meal prepared by our fabulous Chef Patrick. We have added quite a few new CHYC members recently and we extend an open invitation to all of our members to join us for Harbor Lites on the first Tuesday of the month.

Our May meeting was the last of the monthly meetings until September 7, 2021. I do hope our members come in to support our club during the months that we will not be having our monthly programs. The club is open every Tuesday for games, socializing and lunches. It is quite relaxing and serene to share lunch or libations on the deck or at one of the many outside tables overlooking the harbor. You may even meet a new member while you are there. We need to keep our club growing and the cash flowing all year long.

I have spoken with the management at Dillard’s and they are currently scheduling Fashion Shows, once again. I look forward to our lovely ladies hosting Dillard’s at a Fashion Show in the near future.

Our next Harbor Lites meeting will be Tuesday, September 7, 2021.

Safe travels

See you in September!

Audrey Walther,
President

Dear Friends of Education,

For over 25 years the Charlotte County Take Stock in Children program has focused on ensuring that deserving low income students graduate from high school and are prepared for their future learning and career goals. This success is made possible by an innovative multi-year program model of college readiness services, meeting regularly with a mentor, and scholarships. These things combine to create life changing experiences for our students.

Would you know, or be able to recommend, any adults that may have an interest in volunteering as a mentor for our program? We are looking for positive role models for the students we serve.

We're proud of our student's success and have an outstanding record of accomplishment with the students that enter our program. We continue to add new students every year. On average 98% of our students graduate from high school. 96% enroll in college, and 70% go on to achieve a post-secondary degree.

Caring adult mentors are the key to our success and must be willing to meet with our students by volunteering about one hour per week. They are the backbone of our organization. There is of course an application and background check required prior to being "matched" to a student. Training is provided, but the most important qualification is a heart and willingness to help a young person in need.

If you would like to learn more, please feel free to contact me at Gloria.smith@yourcharlotteschools.net or my cell at 217-565-2806.

Kind regards,

Gloria Smith

Student Services Coordinator
