COMMODORE'S COLUMN

Hello Members,

The month of June continues to let us use the Club in a more “normal” way.

COVID-19 is still around but we are working to be as safe as we possibly can. If you have not been fully vaccinated, we ask you to please wear your mask if you cannot maintain six (6) feet of separation. Please, do not approach a table to socialize without wearing your mask; ask if you can join them.

We will continue to evaluate the processes that are in place. Our Staff will continue their screenings and have masking requirements, along with regular hand washing procedures. The Club will continue to be disinfected by fogging the entire Club at the end of each day.

We held our Membership meeting via Zoom on May 24th. We will temporarily suspend our monthly Membership meetings until Monday, September 27th at 7:00 PM. We will strive to have the meeting at the Club and via Zoom. As always, if there is anything the Membership needs to be made aware of, we will call for a meeting.

The Club will be hosting the Florida Commodore's Association (FCA) the weekend of July 16-17, 2021. Here is the website direct link for the FCA <https://www.flcommodores.org>. We have also been selected to host the Florida Council of Yacht Clubs (FCYC) the weekend of September 11, 2021. Here is the website direct link for the FCYC <https://floridacouncilofyachtclubs.com>. Both of these meeting and dinners are open to our membership.

We will also be posting any new information on our Club's website, too.

We are enjoying having the Club open for alternating Saturdays for our deck parties. The kitchen has been providing wonderful cook-out items and the bar on the deck is fantastic. It's great to see the activity on the tennis court and having anyone that wants to go sailing or to learn more about the use of the Club's sailboats; our next events are June 12th and June 26th. Bring your friends along and show them your beautiful Club. We just ask you to make reservations. As always, check your Depth Sounder Calendar for "What's Happening" each week.

I would like to say hello and welcome all of our new members who joined us in May:

Dr. David Klein, Bob and Dee Stout, Pat Camp, Bobby and Lisa Nichols, Doug Foster, Trask Telesmanich, Pat and Donna Theilmann and Warren Anderson. Please introduce yourself to our new members and help them feel welcome. All new members have a gold star on their name tag. We look forward to seeing you around the Club.

Keep a watchful eye on the Depth Sounder, our website and Facebook for new event flyers and more information. Remember, we have moved the Club opening for dinner to Wednesdays for Ship's Wheel Wednesday. We are using our Friday Pub Nites as an Open House. Bring your friends and show them what an amazing Club we have. If you see a Blue Flag with the gold eagle on a table, that is a potential new member.

Introduce yourselves and let them know we are here to help them with anything possible. Remember, you as a member, are the best marketing we could ever have. I have said it before many times, “It takes a Village”. Please remember, we need volunteers and member participation to make our Club successful.

See you at the Club,

Martin Holland

Commodore
Charlotte Harbor Yacht Club

HOUSE & RULES

Greetings from your Vice Commodore,

The House and Rules Committee finalized the House Rules. They were presented to the Board of Directors for review at the May 17 meeting.

Please continue to make your reservations several days in advance if possible. Vicki uses this information to make staffing plans for each lunch and dinner.

Please continue to complete your Comment Cards and place them in the lock box at the Hostess Podium. We expect great food and great service when we dine at the Club. A Club dining experience that meets your expectations should be scored “Good” (level 3). No comment need be entered. Our Staff receives an automatic 20% gratuity for providing you an excellent Club and dining experience. If the dinner and service significantly exceed your expectations check the “Excellent” (level 4) box and provide a specific comment letting Vicky know why you felt your experience exceeded your expectations. Also consider increasing the server’s gratuity by a few dollars. If you were disappointed with your meal or service, check the “Fair” (level 2) or Unsatisfactory (level 1). Make specific comments regarding why the food and/or service failed to meet your expectations. Knowing where the Club has fallen short in meeting your expectations is extremely important for our management to know if we are to improve your service and enjoyment at our Club.

I have noted that our Friday Pub night (and sunset cannon) have been well attended. The sunsets have been spectacular. The food and service have been great as expected (Level 3 – no comment needed ;o). I hope to see more members at our upcoming Saturday Deck and Sail events. Come sail with me.

Roger Strube, MD
Vice Commodore

GROUNDS & MARINA

Just a short message as I was gone most of the month of May.

We have been fortunate to hire two part time dock masters. This means we will continue to operate our fuel dock seven days a week.

Currently we have a few open slips as well as additional room in our dry storage. Some of the available is only seasonal. Anyone interested in a slip, do not hesitate.

For those of you that are away this summer, have a safe season and we will see you upon your return.

Rear Commodore
Hank Killion

FLEET ACTIVITIES

Greetings Mariners!

As many of our cruisers have escaped the summer heat and headed north there were no formal cruises that took place in this month. We did have a wonderful dock/sailing party on May 8 which afforded folks without boats or sail boats the opportunity to get on on the water for a wonderful sail on one of our newly acquired sonars or the Precision 23. The weather cooperated and we had a beautiful day. Many thanks to commodore Martin Holland and Tony Pocklington Jeff Letteri and others who launched the boats and helped take them out.

The Fleet Activities Committee would welcome any suggestions. Please send any ideas to me at rdecesare21@gmail.com

Regards,
Ralph DeCesare,

HARBORMASTERS

The Harbormasters (ROMEOS group in particular) were happy to have assisted the HARBOR LITES Fund raising "Italian Dinner" event held on May 26. The Harbor Lites have always been faithful helpers to our Harbormaster dinner fundraisers, bringing delicious appetizers, desserts and assisting as cashiers. So we guys served their food from the counter and helped cleaning up. Not a big deal for all the assistance we received over the years from the Ladies.

Now that Summer is arriving and many Snowbird members are out of town, it is time for Harbormasters to take some local "day trips". There are many interesting places to visit by car or carpool ... leaving our club parking lot in the morning, visiting a spot, having lunch on the road, and returning to the Club in the afternoon. Arrangements to see animal sanctuaries, nature preserves, historical places, auto exhibits, unusual town utilities, unique businesses, etc are possibilities. Also, a trip to another yacht club famous for its location/sights or gastronomy is another possibility.

If you are interested, call my cell phone 941-204-4013 to discuss so we can see if other Harbormasters would like to participate.

Harbormasters President, Paul Kidd

CLUB MANAGER

Hello June!

As we enter into another long, hot summer, we are reminded of how lucky we are. This time last year we were frozen with Covid-19 and having only take-out, with minimal club life. Now we are getting back to a more normal life, we are seeing so many of our members coming to the club which, we are so grateful for. With the increased number of members having received a vaccine, our continued social distancing and the level of cleanliness that we demonstrate, our members have felt very safe at the Club. We will continue to provide a safe environment for all members and staff.

I am happy to announce that we have welcomed into the club many new members this month! Our Open House Pub Nite has proven remarkably successful. As a reminder to all members, you are the Ambassadors of your club, so please invite your close friends, neighbors and family to the club to possibly join our wonderful family!

We are looking forward to seeing our year-round members in the club this summer and getting involved in all club activities. If there is an event you would like to see at the club, please contact me! We can make it happen!

Please check out June's calendar/flyers for all events!

*Our limited special dinner nights will be held on the 2nd and 30th of June.

*We will be having 2 Sail/Deck parties on the 12th and 26th of June. Sign-ups are ready!

*Father's Day Breakfast will be June 20th, so please make your reservations early. We will be offering our action Omelet station buffet.

* Ship's Wheel Wednesday will take place on the 9th, 16th, and 23rd.

*Fridays this summer will now be "Open House" for all prospective members to come in and experience what our wonderful club has to offer. Our goal, with your help, is to reach 300 members by next season.

Thanks to all for supporting the Club and introducing friends and neighbors.

We have two (2) wonderful new additions working the marina with Joe. These two gentlemen have been such an asset already to our club. Please introduce yourself and welcome Robert and Doug.

My goal this year is to make the most memorable experiences for our members. That said, I would ask all our members to please take a moment to fill out a comment card. There is nothing better than hearing from a member how wonderful the food, staff, or event was, but also hearing what we can do to make their experience better.

Hoping everyone has a wonderful summer!

FLORIDA WEEKLY
IN THE KNOW. IN THE NOW.

HARBOR LITES

June has arrived and it is so wonderful to see all of the flowers and trees blossoming once again. The warm, hot sun is shining beautifully here in southwest Florida and it is nice to see the snowbirds and tourists returning to the sunshine state. Hopefully, COVID has finally gone away and we gladly welcome everyone to enjoy the abundance of bright sunny days and we share our warm beaches, as well.

CHYC will be having Open House every Friday night for the summer months; so feel free to share our Club with your family, friends and neighbors. Socializing in the Ship's Wheel on Friday night is a great way to start the weekend.

If you are a new member and are receiving the Depth Sounder for the first time, Harbor Lites ladies hold their meetings on the first Tuesday of the month. The doors open at 9:30 AM for coffee and muffins; the meeting begins at 10:30 AM. We hold a short business meeting then our 2nd Vice President presents a monthly program for our members followed by a wonderful meal prepared by our fabulous Chef Patrick. We have added quite a few new CHYC members recently and we extend an open invitation to all of our members to join us for Harbor Lites on the first Tuesday of the month.

On Tuesday, May 26, Harbor Lites held an Italian Dinner fundraiser. We had a 50/50 cash drawing and raffled off a basket of cheer and a few other prizes. We all pitched in, Harbor Masters, as well and had a wonderful evening of great food and camaraderie. We really appreciate all of our CHYC members coming together to support our club.

Sadly, we said farewell to Connie Martell in late May. Connie was quite invested in CHYC; she wore many hats over the years; Commodore, Harbor Lites President, Designing Ladies and many more. She was very artistic and talented and gave her all to CHYC. She had a bright cheery smile and was always willing to meet the demands presented to her. She will truly be missed.

Our May meeting was the last of the monthly meetings until September 7, 2021. I do hope our members come in to support our club during the months that we will not be having our monthly programs. The club is open every Tuesday for games, socializing and lunches. It is quite relaxing and serene to share lunch or libations on the deck or at one of the many outside tables overlooking the harbor. You may even meet a new member while you are there. We need to keep our club growing and the cash flowing all year long.

CHYC will have two (2) more days on the water for our members to bring their family, friends and neighbors this month. "Sailing Day / Deck Party" will be held on Saturday, June 12 and Saturday June 26, 2021. We provide the boats and there is food and drink to purchase on the deck You provide the fun and camaraderie!

Our next Harbor Lites meeting will be Tuesday, September 7, 2021.

Safe travels

See you in September!

President
