# COMMODORE'S COLUMN

Hello Members,

Well, can you believe we are looking at Labor Day in a few days. Kids are back in school, and it will be getting a bit chilly at night soon for our snowbirds in New England and the Upper Midwest. So far, the hurricane season here has been a bust but plenty of time still for one or more to wreak its fearful head. As you know Hurricane season includes September and October still ahead of us. Meanwhile, during our three weeks of closure our members (volunteers) reupholstered over 200 chairs. I want to thank once

again, for this major effort, all those that were a part of this undertaking. Carpets have been cleaned and the kitchen sanitized during the closure.

Meanwhile, during the Isles Yacht Club closure for maintenance this past week, we welcomed over 75 of their members to our Friday night "Feast on the Harbor." We even let their Commodore Rose fire off the cannon. We promised her the cannon was pointed away from the IYC. (LOL). The comments back on the food and service were quite positive.

We are hoping that in October we may, on a monthly basis, arrange for dinner at the club followed by seating at the Charlotte Players theater. Dinner from 4:30 to 6:30 and show time at 7:30 P.M. More on that to follow.

November will bring back the 21-piece Suncoast Swing Band and the Elvis Christmas show in December. The New Year promises other great mega-events. As you know they will be open to the public with Club members getting priority seating and discounted tickets.

Club members might also notice the new menus and prices that reflect the increased costs of food. Kudos for Mr. Letteri for continuing to perform General Managers duties while we focus now on recruiting a permanent replacement.

Kudos for Ms. Tina Wieda for successfully handling multiple tasks that were in need of addressing while we search for a permanent Dining Room Manager.

Bev Brady (Membership Chair Lady) is doing an outstanding job on advertising all that the Club has to offer to the outside public.

Well, there are other highlights that I will leave to our Flag Officers and our Past Commodore to address.

Keep a watchful eye on the Depth Sounder, Facebook and our email blasts for new event flyers and more information. Please remember, we still need volunteers and member participation to make our Club successful.

Tom O'Brien Commodore

# **HOUSE & RULES**

Ahoy fellow members,

Our summer is closing fast and the start of cooler weather and the bright fall colors in our trees. Wait, that is up north, so our fall is just around the corner with not many changes being made for us. We do welcome back our travel members to Florida and your Club. We missed you all!

Your fellow members have been very busy during our shut down, including cleaning, to get our Club ready for your return. We welcome you back with open arms! We thank each of these Club volunteers for their time and work to better our Club. They repaired over 240 chairs among many other projects at our Club.

You'll enjoy our Chef Gary and his Staff with their new menu and great cooking, Sharie and her well trained dining room Staff are waiting to serve you and Sheri with her monthly bar specials. They all Welcome you back!

Please remember, you need to make your reservations every time for dinner and with the time you want to eat. Our policy is that we only serve five tables each 1/2 hour. This allows the kitchen staff adequate time to prepare and serve you. This helps to make it a more enjoyable dining experience.

Jim Bennett

Vice Commodore

H&R Chairman

# GROUNDS & MARINA

Welcome back after our shut down! Hopefully, you have been back to our club and have noticed some changes inside the club and within the grounds. If you have, you may have noticed the place has been spruced up. If you have recently sat on any of the chairs in the Ship's Wheel or the Dining Room, perhaps you feel a bit taller. If you haven't been back we urge you to visit soon! We continue to try to keep after necessary repairs while working within a budget. Most recently, a new spot light has replaced the old one which lights up the flag pole in the back.

MARINA NEWS: We currently have two (2) slips available. If you or someone you know (member) is looking for a home for their boat, please contact me or Dockmaster, Rick Klosicki, who is on duty Tuesday through Friday from 8:30 AM - 4:30 PM. We are always looking for ablebodied volunteers to help with our club, including our Grounds and Marina. If you have some time to spare, please contact me at Rdecesare21@gmail.com.

Ralph DeCesare Rear Commodore

# **CLUB MANAGER**

### Hello Members,

It is great to have come out of our shut down and be back up and running again. As we reopen, I ask you to be patient with the staff, as they have, for the summer months, been off a lot and they will have to get back into their rhythm. I apologize for our first Friday, as things did not go perfectly and that will change and has changed as we had a fabulous turn out with no complaints regarding food service, eating time reservations and waiting times for drinks at our last Friday; which posted ninety (90) + people served in a style that we are accustomed to and Charlotte Harbor Yacht Club. As we move forward, we have made so many improvements and I am sure the Bridge Officers will mention many of these things. I know all of these things have been wrapped around the theme that the Bridge, Board of Directors and myself are trying to improve the member experience, as you are the most important customers of the Charlotte Harbor Yacht Club and you should not only be well served; but cherished. As we move forward, we have a very busy schedule straight through until Christmas with many events; both member sponsored and from the outside. You might notice the prices at the yacht club have changed; tomorrow reflects the environment we live in right now. Please know, these will hopefully change back if things improve. There was no alternative to this; we cannot lose money and continue to exist. Please note also, outside parties and all other events and prices have been raised; with that comes raised expectations I am sure and we are challenged to meet it in the next coming months. You will have a few changes in the way things are booked at the Club; but just to review the way we are organized right now is that a volunteer member, Tina Weida, is in charge of all events at the Club and keeps the Club Calendar, including the myriad of other side jobs she does, thank you, Tina now and for your past efforts, as they do not go unnoticed and they continue to have success. Also, you will notice we have volunteers at our Reception Desk for the moment; these loyal members have signed up as we search for a new Receptionist to fill the position. Please note, the reservations to dine; especially at night or maybe in the afternoon as well, are very necessary as we get into the our Fall Season are very, very necessary. The staffing we have right now remains as flexible as we possibly can to be productive, profitable and return the best member experience. As such, reservations are hugely helpful in being able to bring in extra people, when necessary, and to save money on staff that may not be needed on volumes. On Friday nights, specifically, in order to dine in the Dining Room, reservations are required. This is a new rule that institutes those who really want a fine dining experience will receive it. Walk-ins are still discouraged but they will be seated only in the Wheel Room on a first come, first served basis for both seating and feeding. Please also note, we have instituted timed ceilings in the fine dining area. These are on the half hour starting at 5:00 PM, please be aware you will be asked what time you would prefer and after that time is given, you will be expected to be available and in the dining room with your entire party at your designated time. Please note, we are changing the menu again to improve your experience and there will be more specials. We are trying to get the best and freshest food available for you to enjoy at CHYC. We are encouraging lunches as we have in the past, please let the receptionist know if you are bringing a guest for lunch and if you are arriving by boat so we can make sure to accommodate your arrival.

Soon the beautiful fall days of Florida will be upon us and those afternoons are quite special along our deck, our patio next to our gazebo.

I would like to welcome all of our newest members and thank them for joining the CHYC family, I am looking forward to meeting all of you soon. I thank you again for your support, understanding and guidance as we head into season and back into normal cadence at CHYC.

Jeffrey J Letteri Acting General Manager Fleet Capitan

# **FLEET ACTIVITIES**

Well, fleet has been off and running and ready to go cruising! We are already planning a cruise to Fort Myers for a dinner/show, I believe the show is "A Chorus Line". Thanks to Rear Commodore DeCesare for putting this on the calendar and for coordinating everything. He also plans to start with anchor outs; short and

sweet that will be blasted out one to two weeks before they happen, to visit places that we all know and love and are easy to get to, that require very little planning as they are anchor outs perhaps for one night or two. These also offer the opportunity of those with smaller boats to come down the harbor and perhaps participate in a beach lunch or a cocktail party on one of the member boats in perhaps Pelican Bay, the Myakka River or perhaps Cabage Key. Hats off to Tom Stroble for executing yet another wonderful deck party, please remember he has to do all the particulars, that means please thank him as these things don't just happen, they are done by wonderful volunteers. I would like all those who are interested in cruising this winter to contact me directly via email and let me know what they would like to do; things like what would be your dream cruise, what your capabilities are and we can have a chat about how we can best fit that into our itineraries. We would like to have a standing order of boats that will cruise regularly so that we can plan far ahead visit to these yacht clubs, which by the way if they are FCYC are free for the first night; this is a huge benefit to numbers only extend it to full members. There are so many wonderful yacht clubs to visit it is hard in one season to see them all but I plan to try to get as many in at least on the West Coast as possible this winter; definitely a trip south and definitely a trip north, with lots of little other joints in between. Thank you and again and let's get out there.

Jeffrey J Letteri Fleet Captain

# HARBOR LITES

Welcome back Ladies!

It is hard to believe that summer is finally over and fall is about to begin; especially here in Southwest Florida where it is warm and sunny most of the day; however, we do get our fair share of those intermittent showers each day. We have had quite a few changes here at CHYC over the last several months and due to those changes, we will need to replace several of our Harbor Lites Board members. We will need to replace our 2nd Vice President, our Corresponding Secretary and our Hospitality position. Please consider joining our wonderful

Board and be sure to let one of our Board members know that you would like to join us. Our Hospitality person helps plan our monthly menus with our Chef. Tina Weida provides the menu flyer for the Depth Sounder. We have a wonderful Board and would love to have you as a Board Member. We hold our Board meetings on the fourth Tuesday of each month at 9:30 AM; the Board meetings generally last for just one hour. This month only, we will be ordering our meal from the regular CHYC menu.

We try to provide the upcoming Harbor Lites programs in advance; when it is possible to do so. This month Jean Finks, President of the League of Women Voters will be our speaker. In October, Kim Amontree will share details of the upcoming School Board Tax Renewal.

If you are a new member and are receiving the Depth Sounder for the first time, Harbor Lites ladies hold their meetings on the first Tuesday of the month. The doors open at 9:30 AM for coffee and muffins; the meeting begins at 10:30 AM. We hold a short business meeting then our 2nd Vice President presents a monthly program for our members followed by a wonderful meal prepared by our fabulous Chef. We have added quite a few new CHYC members recently and we extend an open invitation to all of our members to join us for Harbor Lites on the first Tuesday of the month. We have a sign up sheet for the upcoming month with both the Hot and the Cold menus listed. Please feel free to sign up, in advance, so the Kitchen Staff can be better prepared for the next meeting. Our next meeting will be on September 6, 2022, please call in and make your reservation with our Receptionist.

If you have any topics or questions you would like to share with our Harbor Lites group, please feel free to contact Audrey Walther or any other Harbor Lites Board member and we will try to accommodate you.

Our next Harbor Lites meeting will be Tuesday, October 4, 2022.

See you around the Club!

Audrey Walther, President
