COMMODORE'S COLUMN

Hello Members,

September brings our Club more negative news on Covid and more natural disasters than anyone can imagine.

Our Club is open and is amazing! We are open on Wednesday and Friday for dinner, Sunday for breakfast and limited hours in the Ship's Wheel for Tuesday and Thursday evenings. It's great to get more time at the Club.

I understand I am sounding like a broken record about COVID-19 and now we have the Delta variant. The intensive care wards are filling up again. We will continue to be as safe as possible. If you have been fully vaccinated, we are NOT requiring you to wear a mask or keep 6 feet of separation. If you or your guest have not been fully vaccinated, please wear your masks and maintain 6 feet of separation. And of course, if anyone is feeling any symptoms whatsoever, please stay away from the club and please get tested. Most of our Staff members have been vaccinated and will no longer be wearing their masks. The Staff members that haven't will continue to wear their masks. We can still enjoy our Club.

As a reminder we are hosting the Florida Council of Yacht Clubs (FCYC) the weekend of September 11, 2021. This will be the 20-year anniversary of 9/11. It will be an honor for us to host. Here is the website link for the FCYC. <https://floridacouncilofyachtclubs.com>. The program schedule and dinner menu have been posted to our website home page. Our guest speaker, Commissioner Stephen R. Deutsch, will be speaking on Saturday. Members are welcome to attend both meetings, the lunch and dinner, but we will need you to make your reservations.

I would like to say hello and welcome to all our New Members who joined us in August: Terri Colaninno, Tyler and Lori Grover, Gailmarie Hanna, Brian and Judy Joseph, Daniel and Krista Platt.

Be sure to check out the New Member pictures and list each month in the Depth Sounder.

We are growing and we can attribute that to you. I know I have said it a thousand times but its true, as a member you are our best marketing tool. Please introduce yourself to our new members and help them feel welcome. All new Members have a gold star on their name tag. We look forward to seeing you around the Club. If you see a Blue Flag with a Gold Eagle on a table this identifies a potential new member. Please, take a moment to visit with the potential new member to help educate them on all the benefits of being a Member of our Club.

Remember, you as a Member, you are the best marketing we could ever have. I have said it before many, many times, it takes a Village. Please remember, we need volunteers and member participation to make our Club successful.

Keep a watchful eye on the Depth Sounder, Facebook and our website for new event flyers and more information. Friday Pub Nites are still being used as an Open House, so bring your friends and show them what an amazing Club we have. Tuesday and Thursday evenings the Ship's Wheel will open at 4:00 PM with a limited bar menu and as a reminder, we are open for dinner on Ship's Wheel Wednesdays too.

See you at the Club,

Martin Holland

Commodore

Charlotte Harbor Yacht Club

HOUSE & RULES

Greetings from your Vice Commodore,

The Comment Cards for August continue to indicate that the membership is generally satisfied that the Facility, Food and Service are meeting their expectations. In addition, comments regarding the updated color scheme, sconces in the hallways and ballroom and updated sconces in the dining room have been very positive. The data from all cards are organized in an Excel file. The files are emailed to Vicki and the BOD and used by Vicki during staff performance evaluations. Vicki and our staff are working hard to make CHYC a very special place for our members. The new pictures (photos printed on canvas) of recent CHYC Regattas in combination with the color scheme give the club a modern, updated feel. In the middle of the hall, several permanent trophies now stand on the narrow table with wall mounted permanent trophies above.

On Friday, August 27th (my birthday), the Isles Yacht Club invaded CHYC. The Isles is in their shutdown. The folks I talked with were impressed with our upgrades and stated they will be coming back on Friday September 3rd for a second invasion. They have at least 20 folks in a group that attends the local High School Football game. Their dinner reservations are generally at 5:00 PM; early enough so they can get to the kick-off after dinner. You should have no problem making a Friday reservation if you plan to be there after 6:00 PM. Hope to see you all at the club

Roger Strube, MD (retired)
Vice Commodore CHYC

GROUNDS & MARINA

Currently our wet slips are full and we have started a waiting list. There are several spots in the dry storage. Hopefully, this will entice a few new members. Fuel prices are remaining stable. Freedom Boat Club fuel sales are steady but reduced from their peak.

We have roped off a portion of the deck area in the Dockmaster's building; there are some bad stringers that will be replaced. Work is being done in house.

We will be re-decking the small float; this will allow us a platform to do some piling work.

We delayed some walkway painting during shutdown to reduce spending.

Hank Killion
Rear Commodore

HARBORMASTERS

Last month, we described in this column what the Harbormasters do in our club and invited male members to join our activities and the ROMEOS; an adjunct of the Harbormasters.

Now, a brief history of the Harbormasters in our Charlotte Harbor Yacht Club is necessary.

In late 1975 the Board of Directors wanted more active participation of its male members in activities. So, it created a "Men's Group" which would meet regularly once a month on a Saturday for lunch with a host a speaker. Sixty-four (64) men attended the first meeting on January 17, 1976, having a 'delicious' meal of soup and sandwich costing \$1.75. The Rear Commodore was appointed overseer of the "Men's Group".

The "Men's Group" was also given the task of "Landscaping and Beautification of the Grounds around the Club House, Basin and Parking Lots". A crew of 24 male club volunteers was established expending thousands of man hours in cleaning up, grading and planting hundreds of bushes, shrubs and trees. Fuel Servicing for boats was established through the purchases of "B" series debenture bonds ... and the "Men's Group" manned the pumps for several years dispensing fuels. For more than ten years until the late 1980's the "Men's Group" also did all of the lawn maintenance themselves.

Of course, most of the volunteer men at that time were much younger; in their late thirties and forties which is not the case now.

In 1992 the "Men's Group" was recognized as an official auxiliary group with rules and regulations in our bylaws and officially named "The Harbormasters" which is what we are known as today!

Several of us plan to call all the males in our club personally in the next few weeks to explain the mission of the Harbormasters and let you ask any questions you might have.

Our goal is to support our Yacht Club, raise funds for necessary projects, obtain new experiences thru host speakers and local day trips, ... and most of all have FUN together....

Paul Kidd,
Harbormasters President

FLEET ACTIVITIES

Greetings Mariners!

I hope you are enjoying your summer and getting out on the water wherever that may be. As our snowbirds begin to return, cruising and raft-ups will pick up. Please check your emails for up-coming events.

Our annual Christmas Cruise will be held December 7, 8 and 9th. The original plan to have it at South Seas Resort seems a less viable venue for us at this time. I've been in contact with Palm Harbor Marina and they are happy to accommodate us. Palm Harbor Marina is a very nice spot with a lovely pool, hot tub, two restaurants, beach access and a gathering area. It is located on Gasparilla Road in Placida and is about a 40 minute car ride. It is a doable boat trip in a day being approximately 34 statute miles from CHYC right on the ICW heading north. Please email me at rdecasare21@gmail.com regarding your interest in this cruise.

On the competitive sailing front, Endowment Chairman, Jeff Letteri, carried the CHYC flag while racing in the 2021 Nantucket race week; Opera House Cup Regatta. This event is in its' 50th year and is one of New England's largest weeklong boat gatherings, with 12 meters and J class yachts, as well as One Design racing divisions; which is the division Jeff raced with fellow club member Michael Walters. They raced a newly restored, 1964 Rhodes 19, now named "Wind Chaser". The racing was very competitive with 3 past national champions racing. Three races were held the first day, with the second day of racing being canceled because of hurricane Henri. Wind Chaser took seventh overall and was happy to participate after a restoration that was less than one year. Previously, the Rhodes 19 had not seen the water for 25 plus years. They said they would be back in 2022 to carry the CHYC flag.

Happy Boating!
Ralph DeCesare,
Fleet Captain

CLUB MANAGER

Hello September!

I am happy to announce that we have welcomed a few new members in August to the club! We will be spotlighting our new members in our Depth Sounder and for future ones as well. It has been an old tradition that has unfortunately gotten away from us. If you have not sent in your picture for us to include in the new member spotlight please send to teaweid@yahoo.com.

If there is an event you would like to see at the club, please contact me! We can make it happen!

This month we will be hosting the Florida Council of Yacht Clubs general meeting. All are invited to attend. Information will be emailed.

Please check out September calendar, flyers and Facebook for all events!

We had a wonderful attendance for our first “Entertainment Committee” meeting. Thank you to all that attended and I appreciate all the feedback and ideas! Hopefully we can welcome more members and make our season an even greater success!

*Fridays this summer and into the fall we will be having “Open House” for all prospective members to come in and experience what our wonderful club has to offer. Our goal, with your help, is to reach 300 members by next season.

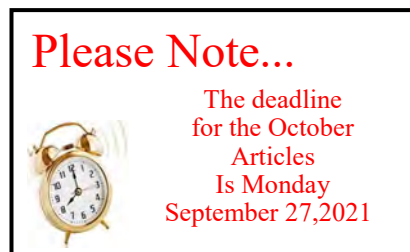

Thanks to all of you for supporting the Club and introducing friends and neighbors. Let’s keep the momentum going! As a reminder to all members, you are the Ambassadors of your club, so please invite your close friends, neighbors and family to the club to possibly join our wonderful family!

With the increased number of members and staff having received a vaccine, our continued social distancing and the level of cleanliness that we demonstrate, our members have felt very safe at the Club. With that in mind, staff are wearing masks again for continued safety for all. We will always continue to provide a safe environment for all members and staff.

My goal this year is to make the most memorable experiences for our members.

That said, I would ask all our members to please take a moment to fill out a comment card. There is nothing better than hearing from a member how wonderful the food, staff, or event was, but also hearing what we can do to make their experience better.

Victoria Tannuzzi,
Club Manager

HARBOR LITES

September has finally arrived and I would like to take this time to welcome back all of our family, friends and neighbors who have been returning to SWF from those vicinities up north. I would also like to welcome all of our new members to Charlotte Harbor Yacht Club. Our first Harbor Lites meeting will be Tuesday, September 7, 2021 at 9:30 AM. Sadly, we will be sharing a moment of silence for the passing of Past Commodore Connie Martell and Bette Albarran, past President of Harbor Lites.

If you haven't been to CHYC over the summer months, you may be amazed to see how a wonderful job of carpet cleaning, new lighting throughout the club and a fresh coat of paint can change your outlook. We really appreciate many of you coming to enjoy our Tuesday luncheons and socializing in the Ship's Wheel. We are happy to inform you that the Ship's Wheel is now open every Tuesday and Thursday to all of our members from 4:00 PM until closing for your enjoyment. Friday night in the Ship's Wheel is always a great way to start the weekend. The Ship's Wheel has a brand new coat of paint and it looks fabulous!

If you are a new member and are receiving the Depth Sounder for the first time, Harbor Lites ladies hold their meetings on the first Tuesday of the month. The doors open at 9:30 AM for coffee and muffins; the meeting begins at 10:30 AM. We hold a short business meeting then our 2nd Vice President presents a monthly program for our members followed by a wonderful meal prepared by our fabulous Chef Patrick. We have added quite a few new CHYC members recently and we extend an open invitation to all of our members to join us for Harbor Lites on the first Tuesday of the month.

This month our meeting we will have a presentation from the Homeless Coalition. As a friendly reminder; the club is open every Tuesday and Thursday for socializing and lunches from 4:00 PM until closing. It is quite relaxing and serene to share lunch or libations on the deck or at one of the many outside tables overlooking the harbor. You may even meet a new member while you are there. We need to keep our club growing; please feel free to share your club with your friends, neighbors and yes, your relatives.

If you have any suggestions, questions or concerns related to Harbor Lites please feel free to contact Lynn Spillane or Audrey Walther.

Our next Harbor Lites meeting will be Tuesday, October 5, 2021.

Safe travels

See you around the Club!

Audrey Walther,
Harbor Lites President

Dear Members,

We are thrilled to have the Charlotte Harbor Yacht Club as one of our lifesaving community partners.

By hosting a blood drive with OneBlood, you, your members and neighbors can profoundly impact the lives of ill and injured patients in our community.

Every two seconds someone needs a blood transfusion. Blood that is donated today will likely be transfused into a patient within two to three days. The turn-around is that fast, the need is constant.

The signature Big Red Bus will show up at your CHYC on September 28th at 9:00 AM and our blood center team will provide everything you need from start to finish. We even bring cookies, juice and All donors will receive a pair of OneBlood Cancer Awareness Socks, T-Shirt, a \$20 eGift Card & a Chick-fil-A Card for a Free Chicken Sandwich. Plus, a wellness checkup, including blood pressure, temperature, iron count, pulse, and cholesterol screening!

There is no substitute for blood. It cannot be manufactured and must come from volunteer donors. Trauma patients, cancer patients, premature babies, transplant recipients, heart patients and those suffering from sickle cell are examples of the types of people needing blood transfusions every day to survive.

We hope you will all consider donating blood at the CHYC OneBlood drive. OneBlood is a not-for-profit community asset responsible for ensuring a safe, reliable and affordable blood supply to more than 250 hospital partners and their patients throughout Florida and into parts of South Georgia and Alabama. It doesn't take much time to donate blood and your generous act will literally give someone else a second chance at life.

We need a commitment of at least 10 units of blood (which means about 12 to 15 people interested in donating sometimes donors cannot donate for one reason or another) so tell your friends and neighbors to help out.

If you have any questions, please feel free to contact:

OneBlood

CHYC Lights Up The Harbor!!!

Thank you for your financial support over the years for Charlotte Harbor Youth Sailing.

We are planning to initiate a High School Sailing Club with students from Florida SouthWestern Collegiate High School (the "Buccaneers") this coming spring. CHYS has established a scholarship fund for disadvantaged area youth enabling them to take part in this program. We will need your help.

Scholarships are provided to kids referred by Children's Network of SW FL, the Guardian ad

Litem volunteers/agency and counselors from Florida SW Collegiate High School. CHYS is not involved in the candidate selection process.

Please click **HERE** or enter the following website address into your Internet Browser:

<https://smile.amazon.com/ch/27-2155591>

Amazon Smile will make a small donation to CHYS for every item you purchase.

Thank you for your support.
