

AUGUST

Seacoast Artists Guild

How can it possibly be August? I mean, it seems like we just rang in 2026, but time marches on. And in just two months the Guild will hold it's Fall Art Show and Sale. So now is the time to get that artwork started.

Guild members may enter two pieces of art, upon registration and entry payment. Both the Prospectus and entry form are located on the Guild's Web page. seacoastartistsguild.org

Following a Board of Directors meeting and a review of entires to date, the Board has decided to cancel the Art-in-Common Fall Festival scheduled for September 12th-13th. The Board will review the situation again in the Spring to determine if we will host the Spring event.

At our recent Board meeting, we discussed the possibility of Hosting an Art Supply Sale for members on either August 15th or 22nd in the Gallery's Back Room. We realize that artists have a lot of supplies that they buy and never use. So, an opportunity to sell them to other artists. If you can e-mail me and let me know if this interests you, we will proceed with it and inform you of the details. Members will oversee their own sales and the Gallery will not take any commissions. Cash or check between the buyer and seller. Sales WILL NOT go through the Gallery.
