OUR STORY

Cilantro Tacos was founded through
our passion for
great food and serving others.

We are a family-owned business,
originally from the

coasts of Southern California, and brought our
love for Mexican cuisine to the wonderful
community of Newberry in 2013.

We think of you, our patrons, as family, and our
goal is to always make you feel welcome (and full)
each time. We pride ourselves in the quality,
freshness and vibrant flavors of our food. Our
meats are never frozen, and
every meal is prepared fresh and made to order.

From our fresh Pico de Gallo to our
hand-smashed guacamole,
you'll savor the mild, spicy, and mouthwatering
salsas made from scratch & our take on street-
style tacos.

With our food, we hope to show you the flavors of
Southern/Baja California cuisine.

Our purpose is to spread love and brighten smiles
by serving fresh food and making contributions to
our communities.

We truly thank you for supporting our journey
& for allowing us to serve you!
