Legos- you played with them. Now Build Them.

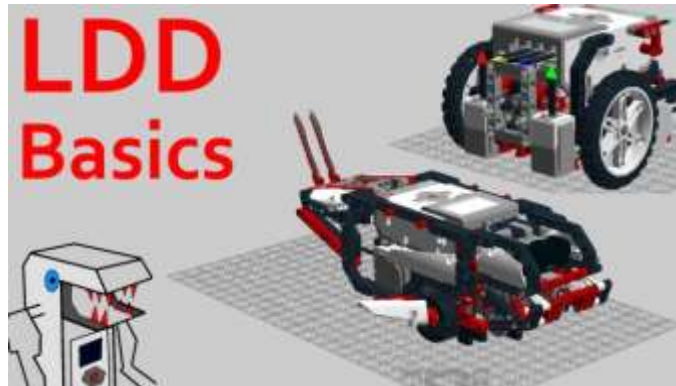

Watch this video as an introduction to Lego Digital Designer (LDD).   (9.38 Minutes)

https://www.youtube.com/watch?v=qH9xoFC8CCM

Then, with your teacher's permission, download and install the software:

http://ldd.lego.com/en-us/down...

Finally, download and **review** the Installation and HELP resource.
Confirm with your teacher the location of the resource.
