

Tech In The News

Assignment: CyberSeek

Headphones Needed: **YES** **NO**

Step One:

Navigate to this website <https://www.cyberseek.org/index.html>
Review all the pages and create a review document.
Summarize what this website is discussing in detail.

Step Two:

In the [Interactive Map](#) chose three states that are highlighted, and in your review document, list number of job openings.
Repeat this for six cities, that you MIGHT consider living in.

Step Three:

Click into [Career Pathways](#), and choose six (6) Core CyberSecurity Roles.
List salary and detailed information about each of your choices.

Step Four:

Click into the [Partners Page](#) and research and summarize the Partners presented.
Click into each Partners website and summarize additional information.
