Step Two:

[Navigate to this Website](#)  
Review the entire website

Step Three:

Create a Word/Google Doc, and report on the 5 W's of this product. Include what it does, cost, availability, where it is sold, is it 'approved'.  
Decide if the product is useful for society.  
Decide if the product really exists.  
Decide if the product website is a joke.  
Add your comments to the Doc.

Step Four:

Could/would a computer user wipe their keyboard with this product to introduce a 'virus' into the computer? What would happen to a computer? Hahahahaha
