Assignment: Implant Chips -2019

Headphones Needed: **YES** **NO**

Step One:

WATCH THESE VIDEOS (2): [GDrive Link](#)

Step Two:

Review the information in these site links: <https://www.32market.com/public/>
<https://32market.wordpress.com/tag/32market-com/>
<https://www.vendingmarketwatch.com/micro-market/company/11080403/three-square-market>

Step Three:

WORK WITH A PARTNER---- In a Word/ G-Document--list the 5W's of the story. Give details.

Step Four:

With your partner, discuss the Pro/Cons of human chipping, where would it be appropriate, where not? For example chipping high school students to enter/exit restroom; attendance; find their location at school; check out library books, etc. Write your comments in the document. Discuss other uses for Chipping....(Magic Mountain, Disneyland...)
