

Tech In The News Assignment:

ARKOSE LABS

Bankrupting the Business of Fraud

Backed by a \$1M Credential Stuffing Warranty

Headphones Needed: **YES** **NO**

Step One:

[Watch This Video](#)

Step Two:

[Navigate to the Website](#) Review all the pages to become familiar with the product/service

Step Three:

With your partner, create a Gdoc, list the 5W's: Who, What, Where, When, Why of the business. Provide details for each 5W's.

[Navigate to Careers page](#)

Step Four:

Using the Careers page, create a LIST OF TEN CAREER POSITIONS in your document. For each position, list, name, work location, education required, skills and experience required. Look for overseas positions. Discuss with your partner which overseas positions you would consider and why. List locations you would NOT consider and why>>>

To Mr. Amerikaner
