

1. Navigate to this Site:
 - a. https://www.ey.com/en_us/cybersecurity/cybersecurity-training-not-enough-for-human-risk
2. Review the information.
3. Watch/listen to the Video.

Summarize using the 5 W's: Who, What, Where, When, Why in a GDoc.

Respond to these questions:

- *What are the issues presented in the video?*
- *Who is responsible for preventing cyber risks in a company?*
- *As an employee, what is your responsibility to help keep your company information safe?*
- *What type of education and training should a company offer to the employees to prevent/minimize cyber risks?*
- *In your opinion, can all cyber risks be prevented by employees?*
- *List some actions/activities employees can complete to prevent cyber risks.*

Submit your report to the GClassroom.
