Navigate to three or four websites and choose AT LEAST Four (4)

Ugly sweaters. Right click on the images of each sweater and copy them to a Word Document.

Add the price of the sweater and the last day for shipping to guarantee Christmas delivery.

Rank the sweaters you chose: 10- the ugliest through 1- not so bad.

Then take a 'selfie' using your phone camera. Upload the photo to your Gmail and open it on the computer

Using Photoshop or Fireworks, place your head on the worst looking sweater you chose.

You can do this with a partner, and have both of your heads in sweaters!

Save your image as a JPG, saved as AreYouKidding_yourname(s).

Save your document as Ugly_Yourname.
