

To whomever it may concern,

I am writing to provide a reference for Rheana Petgrave regarding her application for the role of Newborn Care Specialist.

Rheana has consistently demonstrated exceptional professionalism, dedication, and compassion in her role as a care giver to my son, since he was a new-born. She exhibits a strong knowledge base in new-born care, effectively applying her expertise to provide high-quality care to expectant new mothers and their babies.

Rheana consistently went above and beyond to ensure the well-being of myself and my son. She is adept at providing emotional support and reassurance when you need it and takes the initiative to complete small tasks based on our family's needs.

In addition, Rheana demonstrated outstanding interpersonal skills and a genuine passion for helping others. She is an excellent communicator and educator and would take the time needed to explain the process of our son's routine, development and what was needed to establish the best possible outcomes concerning his progress. She also displayed a strong commitment to our family by always being punctual and well organised.

Overall, Rheana has been an invaluable member of our support team, and I highly recommend her for any position in maternity nursing. Her professionalism, expertise, and dedication make her an asset to any family.
