

2021 SPRING DIRECT DONATION

PTA[®]
everychild.onevoice.®

Dear Meadow Park Parents,

We miss being together and hope this letter finds you well. With the pandemic and switch to different learning models, our PTA did not finish our spring 2020 fundraiser (Jog-a-Thon) and did not hold our annual direct donation in fall 2020. The PTA budget suffered due to these losses, and we have cut back on almost all our programs and spending. After much thought, we have decided to have a Spring Direct Donation!

All donations will go directly to our Meadow Park PTA to benefit all our students.

We hope to raise enough money to restore some of our PTA budget and programs as we plan for the new school year. This could include our Meet the Masters art program for all students, our per-student allotment given to teachers for classroom supplies, assemblies, funds for field trips (if current COVID-19 conditions permit these types of programs), and virtual programs (i.e. Family Pizza Night and Art Night).

It is our goal, as we finish this school year and look to next year, to be in the best position to support our students, teachers, staff, and parents in our amazing Meadow Park family. With your support, we will meet our goal!

If you are able and willing to contribute any amount, please visit our webstore at <https://meadowparkpta.com/webstore>. All donations are greatly appreciated and will fund our PTA budget in hopes for a wonderful 2021-2022 school year.

With Many Thanks,
Meadow Park PTA
