

October 2026

Dear Friends in the Business Community,

On Friday November 6, 2026, Meadow Park Elementary will host its annual Jog-A-Thon. This is our biggest, most exciting fundraiser, and we need businesses like yours to help make it a success! 100% of your tax-deductible donations directly support the students and staff at our school.

Meadow Park Elementary school is an outstanding PK-6 Elementary school in Irvine. Generous donations such as yours will help us continue to provide art enrichment, assemblies, a diverse array of field trips, and classroom support for teachers and staff.

We appreciate your support in the form of Corporate Sponsorships:
